The Illinois Central R. R. Co., will have on sale, April 25th to Oct. 31st 1893, tickets Waterloo to Chicago and return at \$13.20 for round trips good to return until Nov. 15th. To persons desiring to visit the exposition this line offers superior advantages. All suburban and World's Fair trains leaving Randolph, Van Buren and 12 St. (new) passenger stations land passengers at 58th, 59th and 60th Street entrances to the grounds. The main line or through train now arrives at and departs from the 12th St. New Station.

### World's Fair Bulletin for October.

The special Fete Days to be observed during October include Carriage Makers' Day, October 6th, Polish Day, October 7th, CHICAGO DAY, OCTOBER 9TH, Firemen's Day, October 10th, Italian Societies, October 12th, Minnesota Day, October 13th, Ancient Order United Workmen, October 28th.

A fifty cent admission ticket gives the visitor access to all portions of the grounds and buildings of the World's Fair proper, covering 500 acres of Jackson Park.

The transportation facilities between the city and the World's Fair are ample and complete. The Chicago Great Western Station in Chicago is only a few blocks from Cable Cars, Elevated Roads, Railroad and Steamboat Lines direct to the grounds. Hotel and boarding house rates are lower than ever before and there is ample room for all who will come.

As this is the closing month, it is your last chance to see the great Exposition. Do not neglect the opportunity; it will fully repay you, and you will not regret it.

CHICAGO DAY CELEBRATION will be the greatest effort of the season. The display of fireworks will be the grandest ever conceived. For fireworks alone, the city of Chicago has appropriated \$10,000.00 to be added to the amount given by the Exposition Co. The pageantry in the parades at the grounds will surpass description. Thousands of dollars have been assigned for this purpose. Do not fail to see it.

The Chicago Great Western Railway offers the best facilities, with unequalled train service. It is to your advantage to see the Chicago Great Western agent, or address F. H. Lord, General Passenger and Ticket Agent, Chicago, and receive full information.

### Deafness Can't Be Cured

by local applications, as they do not reach the diseased portions of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by catarrh, which is nothing but the inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that we cannot cure by taking Hall's Catarrh Cure. Send for circulars, free.

### A Journey of Varied Intercast.

The tourist, via the Baltimore & Ohio Railroad "The Picturesque Route," from Chicago to Baltimore, Philadelphia and New York, via Washington, is regaled with views of most varied and beautiful scenery. From the windows of the comfortable day coaches and luxurious Pullman cars, the traveler is afforded a panorama of plains, valleys, hills, mountains and streams. Now you are flying past a hamlet on the mountain side. Again you find yourself rolling into one of the midland cities, or past the historic scenes of the Potomac Valley, and if you are at all imaginative, the roar of distant battles along the Potomac and in the Shenandoah Valley may be heard above the noise of the flying car wheels or you can recall the daring raid of John Brown at Harper's Ferry, within a stone's throw of your train. It is worth your while to awake at night, as the train speeds along near Fostoria, in northern Ohio. Flames of natural gas shoot heavenward, alternately lighting up a humble home, revealing a bit of picturesque landscape, or breaking the gloom of forests. To see these ever burning lights is indeed a new experience, and at night the weird sight alone is worth a trip over the Baltimore & Ohio, which affords to the traveler so many unique and fascinating pictures, which go to make up the glories of our own American scenery. The journey over the Alleghenies carries with it the impression that here, in our own land, we have a glorious heritage for the inspiration of the poet and the artist.—Davenport, (Iowa) Church Bells.
